Ravalli County Commissioners

Governor Schweitzer  
Helena, MT 59620

--	--	--	--	--	--

I live in a secondary sub-division in Ravalli County which is becoming increasingly infested with patriots who enjoy illegally driving their off road vehicles as contrarily as possible.

They are used as chore vehicles on our secondary roads.

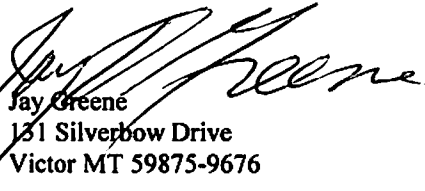

They are used as substitutes for feet in exploring our back country.

They are used as all purpose wreckers of bogs and streams.

They have become the preferred method of self-expression for the 21st century version of the American Frontiersmen (and women.)

I have asked the Highway patrol to look into their illegal use in my neighborhood; but I have to tell you-- there hasn't been all that much dust created by a plethora of patrolmen.

I'm also going to send this to the newly expanded (progressive) board of county commissioners.

P.S.

I think the use of these noisome pests has (or should have) been carefully delineated in law.

I would certainly like to see any uses not clearly legal discouraged and severely limited...
